Subject: Notice of End of Life for Tachometers T600 and selected part numbers of the family T400, as well accessories

Dear Customer,

This letter serves as notification from TE Connectivity and its TE Connectivity Ltd. affiliates (TE Sensors) of its decision to end of life the Jaquet tachometers T600, selected part numbers of the family T400 and its accessories, which are more fully described on Table 1. TE Sensors has produced these products for 15 years. This decision allows TE Sensors to focus on our newer product lines.

While TE Sensors will accept 'Last Time Buy' (LTB) orders for the discontinued part numbers until March 30th, 2022, we strongly encourage customers to place their orders as soon as possible as demand may increase lead times. No orders will be accepted after this date. LTB orders will be considered non-cancelable, and non-returnable. Lead times are subject to change. Terms and conditions, including warranty information, can be found at TE.com.

The standard version of the T401.00 – P/N 383Z-05307, the standard version of the T411.00 – P/N 383Z-05318, the standard version of the T501.10 - P/N 384Z-05601 and the standard version of the T501.50 – P/N 384Z-05600 will be re-engineered and will not be discontinued.

If you have any questions regarding switching to one of our newer product lines or this 'End of Life' or the 'Last Time Buy' process, please contact your TE Sensors account manager, or customer service at:

For EMEA: tess-ic-tlse@te.com

For APAC: sensor-customer-care.apac@te.com

For USA: TEsensors-CCWEMA@te.com

Best regards,

A handwritten signature in blue ink, appearing to read 'B. Ryden', with a stylized flourish at the end.

Bjorn Ryden
Director, Product Management

Table 1. Discontinued Part Numbers

Part Discontinued per PCN	Alias Part Number(s)
3832612635	T402.0M Tachometer
383Z-05308	T402.00 Tachometer
383Z-05319	T412.00 Tachometer
383Z-05595	T411.03 Tachometer
383Z-05596	T412.03 Tachometer
383Z-05671	T401.03 Tachometer
383Z-05672	T402.03 Tachometer
383Z-05764	MINI-PS-100-240AC/24DC/1 MINI-PS
