

EXM-DDO16UK

Output Points	16 digital output (Sink)
Rated Output Voltage	DC24V
External Connection	MIL connector
Common Design	16points / 1common
Maximum Load Voltage	1 point : 0.1A or less / 1 common :1A or less
Maximum Load Voltage	No
Electrical Life	No
Mechanical Life	No
Isolation Method	Between output terminals and internal circuit : photocoupler isolated
Output Delay Time	ON : 300?s or less / OFF : 300?s or less
Voltage Leakage (When OFF)	0.1mA or less
Status LED	LED is lighting when output is ON
Power Consumption	1.03W or less
Mass	70g (0.15lb)

- ▣ EXM-DDO16UK
- ▣ 16 digital output (Sink)
- ▣ 16points / 1common

Between output terminals : not isolated
