

### EXM-DRA16RT

Output Points	16-point relay (a-connect)
Rated Output Voltage	-
External Connection	10-pin terminal connector
Common Design	8 points / 1 common
Maximum Load Voltage	1 point : 2A or less / 1 common : 8A or less
Maximum Load Voltage	0.1m / A DC0.1V (reference value)
Electrical Life	"100000 operations or more
"	
Mechanical Life	"20 million operations or more (no load 18
Isolation Method	-
Output Delay Time	ON : 6ms or less / OFF : 10ms or less
Voltage Leakage (When OFF)	-
Status LED	LED is lighting when output is ON
Power Consumption	2.10W or less
Mass	145g (0.32lb)
